

COVID-19 Guest Protocol – OPUS Hut – Summer 2020

During the COVID-19 pandemic, we need everyone's cooperation to ensure that the OPUS Hut is able to operate safely for all of our guests and staff. As virus science is still evolving, we have used the CDC Guidelines and State of Colorado Short-term Rental Recommendations to develop modified operational requirements. Please have every member of your party review, agree to, sign and return this document via email to info@opushut.com at least two days prior to arrival.

What we've done:

- Implemented cleaning protocols using CDC recommended disinfectant products as well as removed all soft objects that are difficult to clean between guests such as throw blankets, pillows etc.
- Modified cancellation policy: Any reservations made *this* summer will receive a full refund minus processing fees if 1) the hut is not able to operate because of COVID-19; or 2) guests are not able to come because they suspect they may have COVID-19 or have been exposed to COVID-19.
- Closed the sauna (as it is difficult to sanitize).
- Provided tape indication of 6' social distancing from kitchen that is closed to guests.
- Operate at half-capacity and request that all new reservations be for private groups only.
- Prepare food in accordance with CDC and state guidelines. Serve meals family style.

Doing your part:

1. If you have Covid-19 or any of the symptoms of Covid-19 or have been exposed to anyone with Covid-19 within 14 days prior to your arrival, **you will not come to OPUS Hut**. Symptoms include: cough, shortness of breath, fever, chills, muscle pain, headache, sore throat or new loss of taste or smell.
2. Respect strict social distancing with the Hutkeeper at all times including respecting tape lines around kitchen when Hutkeeper is present, staying out of sauna, Hutkeeper's quarters and kitchen, at all times. Cold storage will be provided for your personal food.
3. Bring your own bedding (sheets, blankets or sleeping bag, and pillow) and hand towel for use in washing hands. Linen sets will also be available to rent at the OPUS.
4. Wear a mask at all times when anywhere in the OPUS other than your assigned bedroom or when eating or drinking at assigned dining table.
5. Remove your shoes at the door.
6. Wash/sanitize your hands regularly.
7. Notify us if conditions in Item 1 change at any time before, during and up to 14 days after your stay via at info@OPUSHut.com.

I have read, understand and agree to follow the above requirements. I also understand that while all parties are using available guidance within the context of hosted rental space to minimize risk of Covid-19 spread, I have chosen to come to OPUS Hut at my own risk and recognize that only completely isolating removes all risk of Covid-19 transmission.
